A

HEROIC REMEDY!

HENRY'S

CARBOLIC

CONSTITUTION

RENOVATOR!

Based on Science, Prepared with Skill,

and all the available ingenuity and experience, that the art of pharmacy of the present day can contribute. And

COMBINING IN CONCENTRATED FORM THE MOST

VALUABLE VEGETABLE JUICES

Known in the history of Medicines for

PURIFYING THE BLOOD,

Imparting

NUTRITION TO THE SYSTEM,

Tone to the Stomach,

And a Healthy action to the Liver, Kidneys, Secretive and Excretive Organs.

A DYING ZOUAVE

lay breathing his last on the battle field, his companions urged on and left him alone. They knew the cause of his approaching end, it was the deadly bullet. No friendly voice could cheer him to life—no human skill could save him.

Thousands of Precious Lives

are to-day as rapidly sinking, and as surely tottering on to an untimely end, in Suffering, Agony, Wretchedness, and

Ignor nce of the
cause which

Science can arrest and assuage,
Nourish into new Life and Vigor,
and cause the Bloom of Health
To dance once more upon their withered Cheeks.

DISEASE, LIKE A THIEF,

Steals upon its victims unawares, and before they are aware of its attack, plants itself firmly in the system, and through neglect or inattention becomes
established, and defies all ordinary or temporary treatment to relinquish
its merciless
grasp.

DO YOU KNOW THE CAUSE OF

The wasted form—the hollow cheek?
The sunken, glassy eye?
The sallow face—the shallow complexion
The feeble voice—the trembling frame?
The emaciated form—the trembling frame?
The treacherous pimple—the torturing sore?
The repulsive eruption—the inflamed eye?
The pimpled face—the rough colorless skin?
and debilitating ailments of the present age?

The answer is simple, and covers the whole ground in all its phases, viz: the

FANGS OF DISEASE

AND

HEREDITARY TAINT

ARE FIRMLY FIXED IN THE

FOUNTAIN OF LIFE—THE BLOOD.

The

INDISCRIMINATE VACCINATION

during the late war, with diseased Lymph has

TAINTED THE BEST BLOOD

in the entire land. It has planted the germ of the most melancholy disease in the veins of men, women and children on all sides, and nothing short of

A HEROIC REMEDY

will Eradicate it root and branch, forever. Such a Remedy is

HENRY'S

CARBOLIC

CONSTITUTION

RENOVATOR.

ON REACHING THE STOMACH, it assimilates at once with the food and liquids therein, and from the moment it passes into the Blood, it attacks disease at its fountain head, in its germ and maternity, and dissipates it through the avenues of the organs with unerring certainty, and sends NEW AND PURE BLOOD bounding THROUGH EVERY ARTERY AND VEIN.

The tuberculous of Scrofula that sometimes flourish and wind the inner coating of the abdomen, like kernels of corn, are withered, dissolved and eradicated and the diseased parts transformed into life. The Torpid Liver and Inactive Kidneys are stimulated to a healthy secretion, and their natural functions restored to renewed health and activity.

Its action upon the blood, fluids of the body, and Glandular System, are

TONIC, PURIFYING AND DISINFECTANT,

its touch disease droops, dies, and the victim of its violence, as it were

LEAPS TO NEW LIFE.

It relieves the entire system of Pains and Aches, enlivens the spirits, and imparts a
Sparkling brightness to the eye,
A rosy glow to the Cheek,
A ruby tinge to the Lip,
A clearness to the Head,
A brightness to the Complexion,
A buoyancy to the Spirits,
And happiness on all sides.

JACOBIN CLUBS.

The secret society of which the Governor is, or has been, President, has had as complete control in North Carolina and the South, as the old Jacobin clubs had of France. Eighty thousand negroes, led by five hundred carpet baggers and one hundred educated office holding natives, made up the clubs or leagues in North Carolina.

The work must be now to dissolve them.

Every day they are fast crumbling to pieces. We heard a prominent Republican declare, and repeat it, that his party could carry the election in August by intimidating the white man with the military.

This is the old Jacobin system, and has been successfully practised by Gov. Holden and Gen. Canby in North Carolina.

Regiments of troops, stationed throughout the State, from Wilmington to Morganton, moving them by companies into different counties the week of the election, had its effect upon the nervous systems of the white population.

The object of Reade's speech on the 4th of July to eight or ten thousand grinning negroes, was to intimidate the whites. The object of the Legislative address to Judge R. was for the same purposes.

Judge Pearson's letter, that he feared another rebellion, looked in the same direction. The act of the Legislature to fine and imprison any man who refused work or patronage to any laborer because of any vote he had given or intended to give, was intended to intimidate. Sheriffs Buck and Magnin are the men.

A Sheriff should never put a man in jail before he has had a trial. If Judge Watts did order Utley and Holleman to jail, as the Deputy Sheriff said, he should have refused to obey the order, for he knew the Judge could make no such order until the accused had been before him.

We hope the Jacobins and Ku Klux, will dissolve their clubs and allow peace, order and the Constitution once more to reign.

The Richmond *Dispatch* of Friday gives many additional particulars concerning the recent terrible calamity. We make the following extract not being able to give the whole:

INCIDENTS.

It was a fortunate thing that at the time of the accident there was but one lady about the building. Miss Frothingham, a lady from Brooklyn, New York, with her escort, was being shown to the top of the building by Walker Oliver, one of the colored porters. To get up, they had to pass up the stairway that led to the gallery of the court-room. They had passed up, and were between the roof and the ceiling of the court-room. They had no means of getting out, as the stairway had been precipitated into the ruins. It was finally necessary for Walker to cut his way through the ceiling into the library. In this way he managed to save the lady and her escort from a very unpleasant predicament.

Major J. S. Calvert, who had his left leg badly broken was standing in the clerk's office near the door, immediately under the gallery. He was looking through the window into the court room. He was conversing with R. H. Maury, Jr., beyond whom and on a line were standing Powhatan Roberts and Thomas S. Baldwin. He heard the crash and nearly made his escape, but his left side was caught, and he was borne down into the ruins and covered. He found his right arm free, and with this he managed to get the rubbish from over his head and to breathe. He was under the ruins over half an hour.

Mr. Adolphus Morris started to enter the court-room, and when he saw the crowd remarked, "It is safer outside than it is in here," and went out. He had scarcely gotten out of the door when the accident occurred.

From a gentleman who went down, we got the following: "I was standing in the court-room some distance beyond the centre; I heard a low, rumbling sound, and the floor gave a sort of a jump; I felt myself sinking, and I turned and saw the gallery falling over; I thought it would catch me; fortunately it missed me; I could see the men scrambling over each other in the gallery, and I heard an unearthly yell of anguish that seemed to go up from one mouth; then, with a dreadful crash, I fell into the darkness below; I found a dead body lying on me, a wounded man under me, and another at my side; I heard the man under me say: 'Oh! Death, where is thy sting, oh! grave, where is thy victory'; I heard cries of pain, supplications of mercy, and such expressions as 'Oh! my poor wife,' 'my poor children,' around me, and in one instant I heard distinctly a sound which I am convinced proceeded from some poor fellow dying from suffocation: many died from suffocation, and I am sure that I would have suffocated had I not been taken out when I was."

Major J. H. Kelly, of Fredericksburg, was conversing with Patrick Henry Aylett when the floor fell in. He received no bruises except about the left leg. These are of a severe and painful nature.

The various railroad trains arriving in the city were draped in mourning, and the carts and other street vehicles were also appropriately decorated with badges of the same character.

HEROIC CONDUCT.

One of the most remarkable incidents of the day was the miraculous escape of Mr. D. B. White, member from Elizabeth City, and coupled with it, is our pleasure to note his conduct, which was remarkable and heroic. He fell through the floor, and, strange to say, was not hurt in the least.—*He did not leave the spot for a moment*, but remained through to the close, working manfully in the endeavor to rescue the sufferers. Such courage and humanity as this deserve great praise.

CORRECTION.—As there were several errors in the resolutions we published on Saturday passed by the citizens' meeting the day before, we reinsert them to day in a correct form.

Deeply impressed with the fearfully awful calamity with which our sister city, Richmond, Va., was visited on Wednesday last, by the sudden falling of the gallery of the Court of Appeals in the Capitol of Virginia, crushing through the floor of the Court room and precipitating hundreds of our fellow-citizens into the Hall of the House of Delegates below, killing some 60 persons and maiming, wounding and bruising about 130 others, the citizens of Raleigh have assembled to give expression to their feelings at the earliest moment after learning the particulars of the sad and distressing catastrophe, in the following terms:

Resolved, That the melancholy tidings of the late calamity in the city of Richmond, fill our hearts with unaffected sorrow, and we do hereby tender to our afflicted sister city, our most sincere condolence and warmest sympathy.

Resolved, That while we lament the untimely end of the fallen, and mingle our tears with those of the bereaved and suffering, we would reverently bow in humble submission to the will of Almighty God, whose Providence "shapes our ends," knowing that "He is too wise to err and too good to be unkind."

Resolved, That as a mark of our sincere humiliation under this afflicting dispensation, we will unite with our City of Richmond in observing Wednesday next, the 4th day of May, when all business be suspended in this city, between the hours of 10 A. M. and 4 P. M., that the bells of the city be tolled between the hours of 10 and A. M. 11 and between 3 and 4 P. M., that the Churches of the city be opened on that day at 11 o'clock, A. M. for religious worship, and that the pastors of the several Churches, be and are hereby requested to adapt their services at that hour, to the melancholy event.

Resolved, That as a further mark of our sympathy, a committee of five be appointed by the President of this meeting to solicit such donations from our citizens as they may be able to contribute, to aid in the relief of the suffering needy, upon whom this calamity has fallen so heavily.

Resolved, That a copy of these resolutions be forwarded by the President and Secretary of this meeting to Gov. Walker of Virginia and to the Chief Executive officer of the city of Richmond.

PUBLIC MEETING.

A public meeting of the citizens of Middle Creek Township, Wake co., was held at W. W. Johnston's, (Bursey Jones' old precinct,) April 28th, 1870. The meeting was organized by calling G. H. Alford, Esq., to the chair and appointing Wm. Ballentine, secretary.

On motion of Isaac Rowland, the following gentlemen were appointed a committee to draft resolutions for the consideration of the meeting, viz: W. H. Holland, J. J. L. McCullers, Jas. Adams, Isaac Rowland and Jesse Winborn.

The committee retired for a short time, after which they returned and reported the following resolutions, which were after due consideration unanimously adopted:

Resolved, 1st. That we are opposed to the policy of the Radical party in its extravagant waste of the people's money, and in its abolishing the County Courts and substituting Township Courts; thereby incurring additional expense upon an already oppressed people.

Resolved, 2nd. That we disapprove of all lawlessness and mob law.

Resolved, 3rd. That we shall endeavor to cultivate kindly relations between the white and colored races.

Resolved, 4th. That the imprisonment of James Holleman and James Utley without evidence and examination, was unlawful and inconsistent with the principles of our government.

Resolved, 5th. That the chairman appoint twelve men as delegates to a county Convention to be held in Raleigh on some future day, to nominate candidates to fill the different county offices, and we hereby pledge ourselves to support the nominations of that Convention.

Resolved, 6th. That a copy of these resolutions be sent to the Raleigh SENTINEL for publication.

The following gentlemen were then put in nomination to fill the Township offices:

For Magistrates—G. H. Alford and W. H. Holland.

For Clerk—W. H. Stinson.

For Constable—James M. Jones.

For School Committee—J. C. Marcom, Johnson Olive and Wm. Ballentine.

The chairman then proceeded to appoint as delegates to the County Convention, the following gentlemen, to wit:

J. J. L. McCullers, Isaac Howland, Allen Betts, W. H. Holland, J. L. Johnson, Wm. Utley, J. M. Jones, J. A. Norris, J. W. Rogers, J. E. Fish, James A. Adams and James Adams.

On motion of J. J. L. McCullers, the chairman and secretary were added to the list of delegates.

The meeting then adjourned.

SWIFT CREEK TOWNSHIP, April 30, 1870.

MR. EDITOR:—It will be no harm to let you know some things which are carried on here in the country. Last Sunday, at preaching, I heard it was commonly reported that the secret society to which most of the negroes belong, had agreed on Wednesday night, the 24th, that they would begin the burning of every house, mill, barn, &c., in the neighborhood of Holly Springs, and that a prominent negro from Raleigh went out and talked them out of it, a day or two before the burning was to begin. Such talk and such rumors are either founded on truth or got up to scare and alarm. When the Governor's negro militia were in camp at Scott's, there was great alarm among the white people, especially among women and children. One young lady, when the negroes entered her mother's house, went out at the back door, crawled under the house and stayed there for three hours, until they left. Sending two negroes, who were not officers, from Raleigh to arrest white men, I fear will result in bloodshed if ever attempted again. Sheriff Lee or any one of his deputies, can arrest any man in Wake, and if resisted, ninety nine in a hundred will go to his assistance. This makes it unnecessary for the secret society in Raleigh to send out their woolly headed members to arrest white men.

The tax payers of Wake are tired of being taxed to support five or six hundred negroes about Raleigh, who are used to control the county. If you want negroes to arrest white men in town, let it be so.—We know it will not be tolerated in the country. I hear it was the ignorant negroes who put Utley and Holleman in jail without first taking them to the Judge as the warrant of arrest demanded. If we had had officers who knew their duty, this could not have happened. I have said all I wanted; if you have a mind to, you can publish it. yours,

B.

P. S.—How could a negro in Raleigh find out when the burning was to begin at Holly Springs, if they were not acting in concert with those in the country who were making the threats?

GENERAL T. L. CLINGMAN.

"Pity the sorrows of a poor old man."

MR. EDITOR:—I had supposed, that you had a tender regard for the feelings of "mountain secessionists," and would not attack the gentleman, whose name is prefixed to this letter. I write to beg you in the name and for the sake of his old secession friends, not to persecute a man of his age. It is true, that we might resurrect dead issues against him; but I wish you, if you publish this, to apologize for any reference to his past sins, as I have always thought, that the most sacred maxim of ancient heathen philosophers was "*De mortuis nil nisi bonum.*"

It seems, that he is determined, though long since politically buried, to free the mountain country to recollect the occurrences of a past generation in which he spent his political life. He has not slept so soundly as did old "Rip Van Winkle," but has *consistently* soaked up, when he thought his own interest at stake. He favored the nomination of Gen. Hancock for President, and afterwards made speeches for Seymour and Blair, yet he professes to have favored the adoption of the new Constitution in North Carolina. The appeal, which the honorable gentleman makes (in his last feeble letter) to the colored people is simply ridiculous, in view of the past; that it is intended to affect the mountain district, in which he fought Colonel R. S. Gaither in 1851 on the question of secession and the Calhoun doctrine of "States' rights." About that time you will recollect, that we had in the mountains some mongrel politicians, known as "Clingman Whigs," who were determined to follow their leader though he led them to the d—l. The subscriber fell down and worshipped the idol. About that time a well known old Whig in the mountains addressed a young man, who had always voted with him as follows: "John, what are your politics? He answered, "Squire, I am a Clingman Whig." The venerable old gentleman responded, "Well, John, turkey is a very "good thing," but put the buzzard on, and it will nauseate any man."

Now, Mr. Editor, the writer thinks, that the "aged" wishes to run either for Congress in the 7th District, or for the Senate, and in either event he wishes to organize the Clingman Conservatives or the Clingman Democrats. Be assured, that either one will raise a stench too monstrous for the nostrils of mountain people.

In fact, if you will pardon me for telling another story by way of illustration, I will say, that Mr. Clingman's course reminds me of the remark which President Lincoln is said to have made about Judge Chase, and however just, it was a "good hit." It is reported, that some one told Mr. Lincoln that Judge Chase desired the nomination in his stead, and Mr. L replied, that he was not at all surprised, "Chase never goes to fish except for *Salmon*." Gen. Clingman apologizes for publishing his letter in the "*Standard*," and insinuates, that he is unwilling on personal grounds, merely to send his letter to you. Look out for the "*Turkey* buzzard" this year.

If Gen. C. can't control a party, and give his name to it besides, as he usurped the place of the learned and venerable Dr. Mitchell, he will manifest no interest in politics. He was not content with the honors heaped upon him as a politician by the people of the State, but invaded the scientific department and deprived the most learned man in the State of his claims as discoverer of the highest peaks of "Black Mountain." Why did Dr. Mitchell lose his life? Gen. C. will soon *answer, probably.*

North Carolina has been subjugated, reconstructed, plundered, slandered, and almost ruined, but in all reverence I pray, that the "old North State, the cradle of Liberty" may not be finally ruined by the combined rule of Holden and Clingman.—"Good Lord deliver us."

"With reference to Mr. Swepson," the writer knows nothing; but it does seem strange, that Gen. Clingman should be employed as counsel, when it is a notorious fact, that he has not been in the habit of appearing in the courts in his District for probably twenty five years. The subscriber does not charge, that Gen. C. is incapable of giving legal advice, as a man of his calibre may re-am his legal lore without constantly perusing his books, and possibly Messrs. Moore, Phillips, Merrimon and Battle, all of whom, it is said, study very closely, may have less retentive memories, than Gen. Clingman, or the latter may have taken to the "new code" by a sort of instinct and was therefore employed by Mr. Swepson.

But in spite of the fact, that Mr. C. is acknowledged to be a great man, simple people up here think it a little strange that he will not condescend to take a fee from a man in "coperas breeches," and yet, when working lawyers, like Moore, Merrimon, Phillips and Battle, who devote their time to the legal profession were, as the General says, employed, he resumed the practice for Mr. Swepson. It is remarkable, too, that being counsel for Mr. Swepson and in confidential relations with him, he should as all him in his celebrated circular. The writer is no apologist for Mr. Swepson, and does not take the ground, that an Attorney is under obligation to his client any further than a merchant is to his customers, as there is a mutual consideration, but in view of all the circumstances, this case seems strange, if not wonderful.

Gen. Clingman refers to his military career and no one will question his bravery, but many private soldiers, whose bodies rest in the soil of Virginia, Tennessee and Georgia, besides hundreds who walk at the plow have acted quite as gallantly. And moreover it is said that Gen. C. was the first man in North Carolina, who was conscripted. He was elected Col. of the 25th N. C. Reg't., while at Raleigh running for Senator in the Confederate Congress, and, though he reluctantly accepted the position, charged that his political opponents had elected him in order to defeat him for the Senate.

If you choose to publish this hurried communication, you shall hear from me, when I have more fully digested the General's campaign documents.

BLUE RIDGE.

P. S. I forgot to mention, that Gov. Caldwell, according to common rumor is circulating Gen. C's letter. Did you ever hear that in 1858, Mr. Caldwell declared on the stump, that he would not vote for Clingman, for the U. S. Senate, because he had no confidence in his "political integrity."

"Behold how good and how pleasant it is for brethren to dwell together." If Swepson will furnish the *ointment*, the General will allow it to trickle slowly and gently down his beard, especially, if "Twiggs" or "Wood" had a patent for it.

"By the by," (in the language of the General) I forgot to inquire about Gen. C's. tax, as Attorney. Does he pay it to Estes, Jones, Rollins or Bowman? Please inform the people. It is difficult to understand the present complex system of laws, and perhaps the General's old license is barred by the statute, and he has taken a plain twenty dollar license.

THE SENTINEL.

CITY AND STATE ITEMS.

MONDAY, MAY 2, 1870.

☞ THOS. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

AU REVOIR.—The Local bids adieu to his many readers, for the space of four days, during which time he expects to ride on Railroads, eat Roanoke Rock muddle, interview Stone of the *News* and see how marrying agrees with him, exchange salutations with numerous old friends, and pass through many other pleasant experiences; and then return refreshed for the Summer campaign.

CLAM CHOWDER.—Another bowl of this delicious preparation made its appearance at our office, yesterday, and we are free to say we find it a very gentlemanly dish and improves on acquaintance. It was from Pepper and O'Connor's.

FIRE AND HEAVY LOSS.—We learn that, on Thursday night last, the barn, stables and gin house of John Boylan, Esq., residing at Haywood, Chatham county, were destroyed by fire; and that five horses perished in the flames. We have heard no particulars in connection with the burning.

COMMENCEMENT PARTY.—We acknowledge the reception of an *invite* to a party at Trinity College, complimentary to the graduating class, to come off on the evening of the 16th June. We are aware of the fund of pleasure and enjoyment we shall miss, if we find it inconvenient to go, for we have been there on similar occasions in days past, and know with what excellent skill those things are gotten up and managed at Trinity.

ADVERTISE.—We mentioned last week that a correspondent wanted to know where he could get a threshing machine from a North Carolina factory. We gave the best information in our possession.—Since that time we have heard of one or two establishments where such machines are built, but we really have not time to answer by private correspondence, inquiries on the subject, besides we have lost the address of the person making the inquiry. A better plan would be to let the public know where such things are to be had.

GIVE THE NAME.—We are requested, in an anonymous communication to announce certain persons for Commissioners of Wake county. The gentlemen whose names are recommended are worthy and well qualified, but as no name accompanies the note, we do not know but we might give them of fense by publishing their names in that connection. We always claim the courtesy of an introduction to our correspondents.

FAITH AND CONJURATION.—We were aware that our neighbor, Mr. Postmaster Rogers, had many queer crotchets in his head, but we did not know that he believed in "faith doctors" and conjurers, as it appears he does, from the following incident, communicated to us by a friend:

"Richard Byrd, a colored man, used to belong to the league, and says he voted for Calvin Rogers for Commissioner. Byrd was in Raleigh not long since and having run short of funds, applied to Calvin for the loan of fifty cents to pay his fare home. Calvin, however, excused himself from compliance, stating to Byrd that he was taking medicine from a "faith doctor," and if he loaned anybody anything it would break the charm!"

Byrd applied to a Democrat who lent him the fif y cents, and he now says he is done with the Rads, whose medical advisers won't let them lend a constituent fifty cents to get home on.

Dr. Lindoman will remain a few days longer; if you have Corns, Bunions or bad nails don't fail to give him a call, he cures without pain or drawing blood, Room 42, Yarborough House. Ladies attended at their residences without extra charge.—Charges moderate. A few days longer only.

The Elgin watch Company advertise a new and reliable improvement in their watches, consisting of a patent Dust Excluder, effectually closing the works, and enabling the watch to run without being cleaned, as long as a movement can possibly do without it. This is a valuable addition to the Elgin Watches, and will be appreciated by Farmers, Mechanics, and others, more or less engaged in outdoor employment. The Company are said to have doubled their sales in California and the mining regions since the introduction of the dust excluder.

The Excluder is an entirely different thing from the *dust rims* upon other American watches, which affords but a partial protection to the movement, and is only found on the Elgin watches.

A FAMILY MEDICINE.—We call the special attention of our readers to the advertisements of that favorite home remedy, Perry Davis' PAIN KILLER. It has been before the public over THIRTY YEARS, and probably has a wider and better reputation than any other proprietary medicine of the present day. At this period there are but few unacquainted with the merits of the Pain Killer; but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore, wish to say to all that it is equally successful whether used internally or externally, and it stands to-day, unrivalled by all the great catalogue of Family Medicines. It is sufficient evidence of its virtues as a standard medicine, to know that it is now used in all parts of the world, and that its sale is constantly increasing. No curative agent has had such widespread sale, or given such universal satisfaction. It is a purely vegetable compound, and perfectly safe, even in unskillful hands.

The Song of the Sawyer.

I.

I'm a Sawyer from Arkansaw,
And Katie is my daughter;
And Esau comes from Chickasaw,
And kissing Esau taught her.
"I saw Esau kissing Katie,
And kissing, we all three saw;
I saw Esau, and he saw me,
And she saw I saw Esau."

II.

Esau to saw I employed thee,
This kissing don't saw lumber;
So saw the logs to send to sea,
My saw must never slumber.
Chorus.

III.

"Your saws I'm sure shall not stand still,
Tho' the kissing raised some ire;
The kiss you saw at your saw mill,
But raised the saw-dust higher."
Chorus.

IV.

"So long I've sawed I cannot saw,
Nor e'an put logs on carriage;
All contracts keep that you may draw,
And I'll give *Kate* in marriage."
Chorus.

V.

It was Esau who "came and saw,"
And who like Kaiser "conquered;"
When Katie saw it was Esau,
Her heart for Esau hankered,
Chorus.

VI.

Esau thus made "dust" of each kind,
And sawed them Homes to live in;
Boys! just raise the "Dust" and you'll find
At last Kates sure to give in!
I saw Esau kissing Katie
Much kissing shall we all see
I saw Esau and he saw me,
Thus ends the song of Esau!

RHAMKETTE, 1870.

RELEASED.—Jarvis Wood, for shooting Mary Dalton—"big foot Moll," the facts concerning which we gave on Saturday, was before W. H. Harrison, Esq., for examination, on Saturday afternoon, and after a full statement of the facts in the case, it was pronounced a case of "justifiable homicide" and Mr. Wood was released. He has the sympathy of the entire community in the unfortunate affair.

It seems we were in error in our statement in regard to her coming to him to borrow money the morning before the shooting, in all other respects the statement we gave was correct.

MEETING AT CEDAR FORK TOWNSHIP.—The proceedings of the meeting of Cedar Fork Township are unavoidably crowded out to day. They will appear in next issue.

For the Sentinel.

The Executive Committee for the 4th Congressional District recommended by the signers to the Address of the Conservative members of the late General Assembly, would very respectfully call attention to the necessity of a District Convention to select a candidate for Congress, and would recommend that the people of this Congressional District do assemble at Franklinton, on the 7th and 8th days of June, 1870, for the purposes aforesaid, and that each county in the District appoint delegates, at their Conventions, to said District Convention.

AMNESTY.—Senator Robertson, chairman of the Senate Committee on Political Disabilities, will in a day or two report a bill which in effect will be a general amnesty bill which the President is understood to favor. It excludes from amnesty only three classes—namely: first, those who withdrew themselves from Congress at the beginning of the rebellion to engage in the secession movement; second, those who withdrew from the United States Army and Navy for the same purpose; and, third, those who signed the original ordinance of secession in the various States in 1861. It is the belief that such a bill will pass both Houses without material opposition.—*Richmond Dispatch Special Washington Telegrams.*

The Fifteenth Amendment.—After ten years of experiment, and fifteen changes in the ingredients, Phalon has the pleasure of announcing that his VITALIA, OR SALVATION FOR THE HAIR, is a perfect article, capable of infallibly restoring gray hair to its primary color, and without failure. Sold by all druggists and fancy goods dealers.

Coughs and Colds.—Those who are suffering from Coughs, Colds, Hoarseness, Sore Throat, &c., should try "*Brown's Bronchial Troches*," a simple remedy, which is in almost every case effectual. The Troches have been tested by time, and pronounced universally superior to all other articles for the same purpose.

The medicinal virtues of Roots, Herbs and Barks which were used by the "Medicine men" of the Indian tribes, and which long experience has proven to possess the most efficient alterative properties for the cure of Scrofula, King's Evil, Ulcers Cancerous and Indolent Tumors, Mercurial and Syphilitic Affections, Enlargement of the Bones, Tetter, Ringworm, Boils, Pimples and diseases resulting from a dispraved state of the blood, and all female diseases, are contained in a highly concentrated form in DR. TUTT'S SARSAPARILLA AND QUEEN'S DELIGHT. It is a very popular medicine, and deservedly so.

An Old Fallacy Exploded.

Thirty or forty years ago, it was the fashion to administer powerful purgatives as "spring medicines." Terrific doses of salts and senna, calomel and jalap, or glauber salts were given to all the members of a family, whether sick or well, by way of preparing them for the warm weather in prospect. This pernicious custom is nearly obsolete, but there are some old Bourbons of private life, incapable alike of forgetting anything or learning anything, who obstinately cling to it still. Nothing could be more pernicious, more utterly unphilosophical, than such an onslaught on the vigor and elasticity of the system. In order to enable the physical structures to resist the enervating effects of spring damps and summer heats, it should be toned and reinforced, not relaxed and weakened. The best medicine agent for this purpose is Hostetter's Stomach Bitters. Its effect is to tone the stomach and liver, gently relieve the bowels from obstructions, brace the nerves, improve the quality of the blood, stimulate the appetite and cheer the spirits. In this improved condition the organization is capable of resisting unhealthy influences, which would prostrate an enfeebled system. A vigorous digestion is absolutely essential to health, and there is no danger of the stomach faltering or failing in its import ant office if this genial vegetable elixir is taken regularly as a stomachic. None of the tonic tinctures or extracts will supply the place of the Bitters, for the simple reason that they operate as astringents only. In fact, in ordinary practice, five or six prescriptions would be required to produce separately, the beneficial results, which are effected simultaneously, and harmoniously by this single specific.

SWEET QUININE

Is a Recent Improvement

Replaces the use of the BITTER SULPHATE QUININE, with which all are familiar. Dose for dose, it is

WARRANTED

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin.

Fever and Ague,
Intermittent Fever,
Chill Fever,
Remittent Fever,
Bilious Fever,
Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from Peruvian Bark (so is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the ailments found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poison, the absorption of which by the lungs causes Intermittent Fevers, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

WATCHES.

THE EXTENSIVE USE OF THESE WATCHES for the last fifteen years by Railway Conductors, Engineers, and Expressmen, the most exacting of watch-wearers, has thoroughly demonstrated the strength steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these timekeepers.

More than 450 000 of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enable them to produce watches at a price which renders competition futile, and those who buy any other watch, merely pay from 25 to 50 per cent. more for their watches than is necessary.

We are now selling Waltham Watches at less prices in greenbacks, than the gold prices before the war. There is no other manufacture of any kind in the United States of which this can be said.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watchmaking originating in this country or in Europe, only those were finally adopted which severe testing by the most skilful artisans in our works, and long use on the part of the public demonstrated to be essential to correct and enduring time-keeping.

Among the many improvements we would particularize;

The invention and use of a centre-pinion of peculiar construction, to prevent damage to the train by the breakage of main springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Fogg's Patent pinion as being the best and faultless.

Hardened and tempered hair springs, now universally admitted by watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch, is already a decided success and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in portions of the United States where watchmakers do not abound, watches with the above mention d improvements which tend to insure accuracy, cleanliness, durability and convenience, must prove invaluable.

Every watch guaranteed by the Company.

To pr vent imposition, buyers should see that every watch should bear either of the following trade marks.

American Watch Co., - - Waltham.
Appleton, Tracy & Co., - - "
P. S. Bartlett, - - - - - "
William Ellery, - - - - - "

OFFICERS OF THE COMPANY:

JOHN DAWSON.....President.
B. F. GRADY.....Vice President and Treasurer.
ALEXANDER JOHNSON, Jr.....Secretary.
DR. E. A. ANDERSON.....Medical Director.
WM. A. WRIGHT AND C. M. STEDMAN.....Attorneys.
HON. ELIZUR WRIGHT.....Consulting Actuary.
REV. B. F. MARABLE.....General Superintending Agent.

THE PRINCIPAL OFFICE OF THE COMPANY IS LOCATED IN WILMINGTON, NORTH CAROLINA, No. 5, NORTH FRONT STREET.

THIS COMPANY WAS CHARTERED BY THE LEGISLATURE OF NORTH CAROLINA IN February 1869. The Charter is perpetual, and is very liberal in its provisions.

CAPITAL STOCK $300,000,

WITH PRIVILEGE TO INCREASE IT TO

$1,000,000.

The Board of Directors beg leave to say to the people of North Carolina, that this is emphatically A "HOME INSTITUTION." The Stockholders are all North Carolinians; the members of the Board of Directors are all North Carolinians; the officers of the Company are ALL NORTH CAROLINIANS; and the Agents of the Company are all North Carolinians.

Most of the States of the Union, in which Insurance Companies are located, require a heavy deposit from Companies located in other States before being allowed to do business in them; and the Board of Directors of this Company, believing that it was nothing more than "EVEN HANDED JUSTICE" that the Legislature of North Carolina should pass a law requiring such Companies located outside of this State to make a deposit with the Treasurer of the State before being allowed to do business in it, petitioned the Legislature at its late session for the passage of such a law, but that Honorable body turned a deaf ear to our humble petition and refused to do so. Now, we humbly submit that if it is just and right that Insurance Companies LOCATED IN NORTH CAROLINA should be required to make a deposit with the Treasurer of any of her sister States before being allowed to do business in them; then it is equally just and right that Insurance Companies located in such sister States should be required to make a deposit with the Treasurer of North Carolina before being allowed to do business in this State. The Legislatures of other States afford

PROTECTION TO THEIR INSURANCE COMPANIES,

and why in the name of common justice should not the Legislature of North Carolina do the same thing? Has the time not yet come when the "Rip Van Winkle of the South" should wake up? Are the people of the "Good Old North State" to remain forever behind their neighbors in the MARCH OF IMPROVEMENT? Why is it that we cannot establish Institutions of our own and protect and support them, and thereby keep our money at home to benefit our own people, in the same manner that the citizens of other States do? Look at the hundreds of thousands of dollars which go out of the pockets of the people of North Carolina annually, to enrich the Insurance Companies and benefit the people of other States; and what is worse than all, it goes to benefit the people of States which refuse to allow NORTH CAROLINA INSURANCE COMPANIES to do business in them without making a heavy deposit. We have not a single word to say against the Insurance Companies of other States; but as the Legislature of other States afford protection to their Insurance Companies, when such companies in this State are refused protection by our Legislature, we humbly submit that it is the du y of the people of the State to patronize and SUSTAIN OUR OWN COMPANIES; for by doing this they are but simply doing justice to themselves.

The Board of Directors and Officers of this Company assure the people of North Carolina that the Company commences the work of Life Insurance upon a SOUND AND RELIABLE BASIS; and they hereby pledge their honor that the management of the affairs of the company shall be such as will give perfect security and safety to all who may patronize it.

Our Table rates were calculated by the Hon. Elizur Wright, the world-renowned Actuary, and may be relied upon as being correct.

This being a "HOME INSTITUTION" we have no long list of Directors and Stockholders, composed of distinguished gentlemen of other States to refer to before you; but we have a respectable list of Stockholders, all of whom are North Carolinians, and a large portion of them will be recognized as being some of the BEST CITIZENS OF THE STATE. Nor have we a long array of names of eminent gentlemen abroad to refer to; but we respectfully refer to the good citizens generally of this community.

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1869.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 18th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, James P. Lucas, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the highest award in premiums and diplomas wherever entered for competition at fairs and exhibitions held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

No Life Insurance Company in the United States offers superior advantages for insurance or investment, than the St. Louis Mutual. It is managed by gentlemen of the highest capacity and standing and it enjoys the largest confidence of those acquainted with Insurance Companies.

Its Policies are liberal; its premiums moderate and made easy; its losses are paid promptly and its investments are made on the most solid basis, being principally in improved real estate worth twice the amount invested, paying ten per cent per annum.

All its Policies are non-forfeitable and participate in its profits from the beginning.

Dividends declared and applied annually to policy holders on the contribution plan.

The Company is strictly Mutual, and the profits of its business are paid out to stockholders but to its policy holders.

An equitable surrender value paid to all who through misfortune are unable to keep up their policies.
